Current Work

- Review of Communications Materials
- Final QA-QC on References
- Send back the final meeting notes to the SHPFC -- supposed to get to us by today

Nicole's next steps

- Contact Tracey on our citing that their member companies (and the % of their membership companies compared to the rest of the industry) follow the European standards for a reduction in PAH content of oils- - is she still on vacation? Waiting to hear back on them until Wednesday AM.
- Review the additions to the outreach process and background.

Two- week outlook

- Jackie wants the revised final piece by Wednesday.
- TBD: Follow-up call on tire management issues in Puerto Rico -- waiting on Arnold to send it around.
